

iRESPECT

values

Integrity

being honest and ethical with thoughts and actions.

Responsibility

being accountable for thoughts, actions and deeds.

Equality

respecting everyone as an equal and as an individual.

As a school we subscribe to a set of values:

iRESPECT

These are the values of integrity, responsibility, equality, sustainability, peace, empathy, community and trust.

At all times we should be teaching and modelling these values and support our students in doing the same.

We encourage all teachers to honour and recognise these values in our students at all times with ongoing dialogue, discussions, and reinforcement.

Sustainability

ensuring that your own body and surroundings are cared for so they are clean and healthy for as long as possible.
