

We are recruiting an Intermediate Phase educator

We are looking for an experienced educator to join our team: someone whose skills, knowledge and interests will contribute to our team's, and whose view on education aligns with our school's vision.

We have an incredible Senior School team, who collectively cover all the subject fields, and have diverse educational experiences with unique strengths and perspectives. We now have a vacancy for a colleague with experience in teaching Middle School grades - Grade 6 - 8, with a specific focus on Mathematics and Afrikaans.

We are looking for a teacher who is excited and curious about how learning happens, who has explored different approaches to learning, has experience in child-centred learning such as project-based learning or problem-based learning, someone who has explored different assessment methodologies and does not only chase marks and grades, but gets deep fulfilment from true learning.

If you continuously look for ways to improve your teaching and the way in which you engage with children, if you love creative freedom, and are willing to push boundaries for the betterment of education, Green School is for you.

Requirements:

- At least 5 years teaching experience;
- B.Ed and/or PGCE, or other relevant degree;
- SACE registration;
- Fluency in English and Afrikaans;

Ons werf tans 'n Intermediêre Fase onderwyser

Ons is op soek na 'n ervare onderwyser om by ons span aan te sluit: iemand wie se vaardighede, kundigheid en belangstelings ons span s'n aanvul en wie se uitkyk op opvoedkunde belyn met ons skool se visie.

Ons het 'n ongelooflike Seniorskoolspan, wat saam al die vakrigtings dek, uiteenlopende ervarings het, en elkeen unieke sterk punte en perspektiewe bring. Ons het nou 'n pos beskikbaar vir 'n kollega wat ervaring het met Middelskool - Graad 6 - 8, en spesifiek met Wiskunde en Afrikaans.

Ons soek 'n onderwyser wat opgewonde en nuuskierig is oor hoe kinders leer, wat al verskillende benaderings tot leer ondersoek het, ervaring het in kinder-gesentreerde leer soos projek-gebaseerde leer, of probleem-gebaseerde leer, iemand wat verskillende assesseringsmetodieke ondersoek, en nie net punte najaag nie, maar bevrediging kry uit ware leer.

As jy daarvan hou om voortdurend maniere te soek om opvoedkunde te verbeter, as jy van kreatiewe vryheid en die verantwoordelikheid wat daarmee saam gaan hou, dan is Green School vir jou.

Vereistes:

- Ten minste 5 jaar ondervinding;
- 'n B.Ed en/of NGOS of soortgelyks;
- SACE geregistreerd;
- Vlot taalvaardig in Afrikaans en Engels;

- Experience in teaching internationally or in a culturally and educationally diverse environment will be an advantage;
- Experience with project-based learning will be an advantage;
- Starting date: 1 July 2026

Characteristics:

- Green living must be part of who you are: a love for the environment and focus on social sustainability is at the heart of our school.
- Understand that each child is different, have the ability to develop differentiated learning plans and experiences, while tracking the learning journey of each individual learner.
- Have a curious mind and a working knowledge of different curricula, with experience in the development of learning programmes.
- Be flexible and able to adapt to ever-changing circumstances.
- Enjoy hands-on collaboration with other educators.

Closing date for applications: 29 May 2026
